

Greenacres School (2849)

ENROLMENT SCHEME

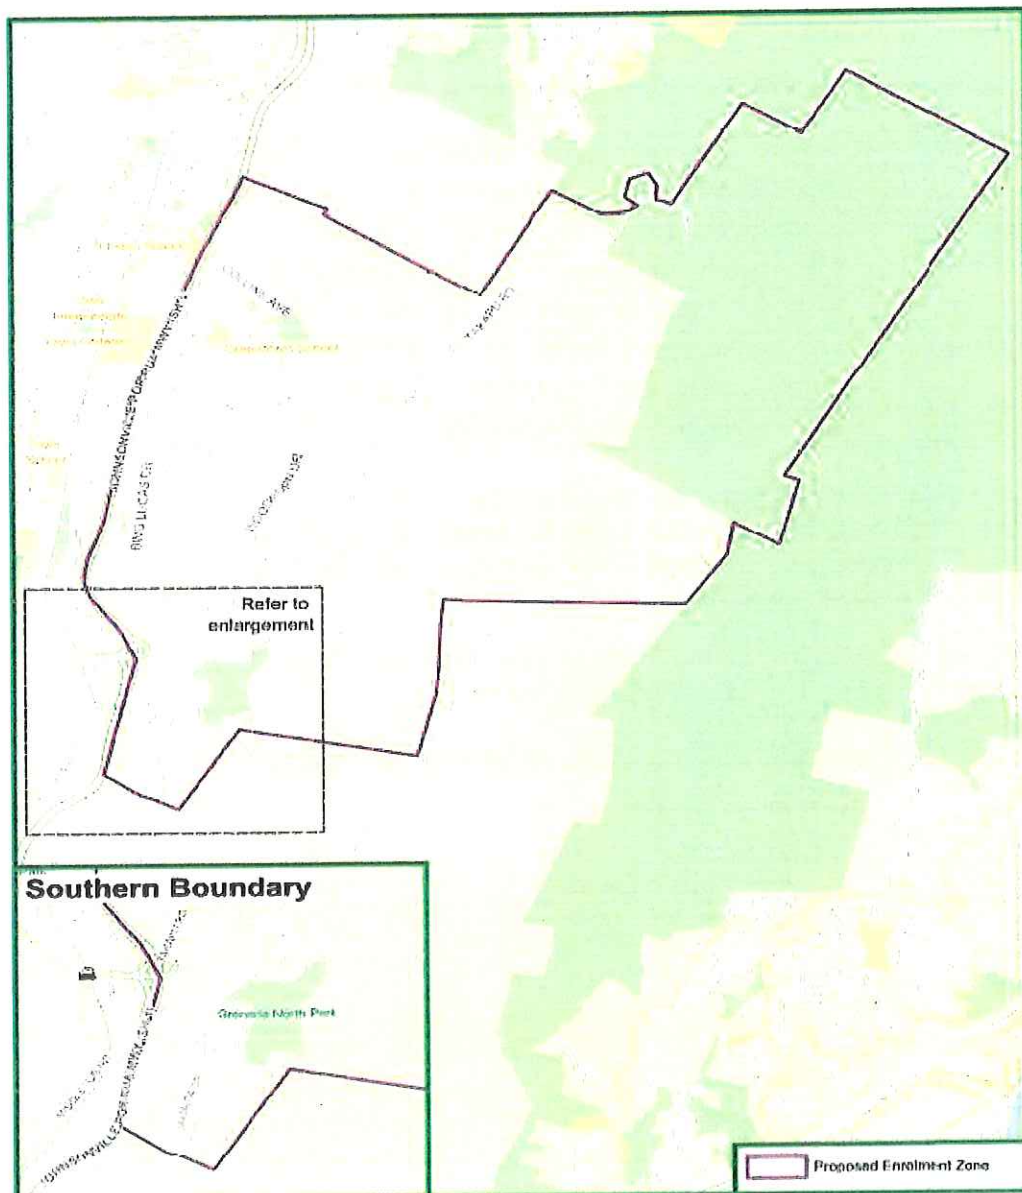

Home Zone

All students who live at an address within the home zone **described below*** (and shown on the map) shall be entitled to enrol at Greenacres School.

The Greenacres School Home Zone will include all addresses on the eastern side of the Motorway in Tawa, Greenacres and Grenada North.

The zone is defined as from the end of Jamaica Drive (South) at 179 Jamaica Drive including 182, 186 and 198 Jamaica Drive, to Collins Avenue (North), including the side streets of Little Collins Street and Rangatira Drive.

The western boundary runs along the Johnsonville-Porirua Motorway (SH 1). The eastern boundary encompasses all of Takapu Road.

Proof of residence of a property within the home zone will be required (for example a copy of a utility bill with the name of a parent or guardian and an address within the home zone, covering the date of enrolment or earlier). Where a property has two or more entrances on different streets, or where the actual address of a property is in dispute, only the rateable address as recognised by the Wellington City Council will be considered to determine if the property is in or out of zone.

Twice each year, applications for enrolment from in-zone students will be sought 3 weeks before the end of terms 2 and 4. These dates will be published at least two months before the end of terms 2 and 4, in a daily or community newspaper circulating in the area served by the school and on the school website. This will enable the Board to assess the number of places which can be made available to students who live outside the home zone during the last month of term.

Out of Zone Enrolments

Every 6 months the Board will determine the number of places which are likely to be available in the following 6 month period for the enrolment of students who live outside the home zone. The board will publish this information by notice in a daily or community newspaper circulating in the area served by the school and on the school website. The notice will indicate how applications are to be made and specify a date by which all applications must be received. The notice may indicate how many places are available.

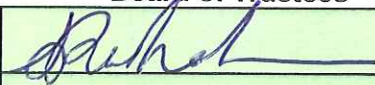

Applications for enrolment will be processed in the following order of priority:

First Priority	This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary.
Second Priority	Will be given to applicants who are siblings of current students.
Third Priority	Will be given to applicants who are siblings of former students.
Fourth priority	Will be given to applicants who are children of former students.
Fifth priority	Will be given to applicants who are either a child of an employee of the board of the school or a child of a member of the board of the school.
Sixth priority	Will be given to all other applicants.

If there are more applicants in the second, third, fourth, fifth or sixth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989.

Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

Applicants seeking second or third priority status may be required to give proof of a sibling relationship.
