Drop off and collection

20. To access the Breakfast Club, parents/carers must accompany their children to the exterior hall door where staff will direct the children to wash their hands on entry and sign children into club.
21. Please follow visual guides and stay the recommended 2 meters from other waiting families and from the member of staff conducting the signing in. Approach one family at a time when invited to do so. We request that, at the current time, the child is only dropped off by one parent or carer only. Please support drop offs by seeing children over to staff as quickly as possible. Questions for staff should ideally be made via email or phone call to the club. If an important message needs to be delivered to staff, please wait until the end of registration and respect the recommended 2-meter distancing.
22. Drop off to Breakfast Club must be made between 7.45am and 7.50am as activities will be taking place outside whenever possible and staff will be unavailable to sign children in. Arrival after this time will result in a child being unable to attend.
23. As a Covid-19 safety measure, parents, carers and visitors will not be allowed into club and any meetings with staff must be made via appointment. The club has the right to refuse access.
24. KS1 Children attending After School Club are escorted to the hall by classroom staff and signed in with club staff at the end of their school day. All other children are prompted to attend the club by classroom staff and are registered on arrival. Children must register with PaWS Xtra club staff before attending other school club's and activities.
25. Collection from After School Club should be made at either 4.30pm or 5.00pm. If parents and carers select a 4.30pm collection, the club should be notified via email or Dojo message in advance in order for the children to be ready.

Ofsted no: 114519

Collection cannot be made outside of these times unless in the case of an emergency. In an emergency, contact should be made with the club to organise collection via the club telephone on 07565770248.

26. After school collection is via the school hall unless otherwise indicated. On arrival, those collecting should wait in line by the exterior hall door where children will be signed out by staff. 2m physical distancing should be adhered to and visual guides will be displayed. Children will be dismissed in line order to identified collectors. Please help the club keep this process as quick as possible by moving away from the collection area immediately after collection. We regret that Covid-19 safety measures prevent us from providing direct verbal feedback about sessions. Communication will be via club notification slip, email, Class Dojo or telephone. Urgent verbal communication should be made to staff at the end of collection and maintaining the recommended 2 metre distancing.
27. Children and parent/carers will be reminded to follow social distancing guidelines and to follow markings.
28. Only authorised persons over the age of 18 may collect children. This information must be provided in the club registration forms. We will not allow any child to depart from the club unless the collection is made by an authorised collector as identified on the registration forms. Staff have the right to request formal, photo identification to ensure proof of identity.
29. Parents/Carers agree to make appropriate arrangements for their child to be collected by the latest stated finish time. Please be aware that late collection after this time will be charged at a £3.00 per 5 minutes.
30. Parents/Carers must contact the school if they are aware that they will be late to collect their child stating the anticipated time they will arrive or details of alternative arrangements. Please contact the club on 07565770248.
31. It is parents/carers responsibility to ensure those authorised to collect children understand the importance of collecting the child on time.
32. Please Note: Children will only be dismissed to the responsible adults named on the registration form. Any confusion which leads to the child remaining in the schools supervision will result in the late fee being charged.
33. If a child is collected late on three occasions, the child will be excluded from the club and club fees may not be refunded.

Suspensions and exclusions

34. All children, visitors and staff have the right to be safe at the club.
35. The club will not tolerate any abusive behaviour.
36. The club staff aim to provide a safe, stimulating and happy environment for all children. The club staff reserve the right to exclude any child whose behaviour is unsafe and/or disruptive, following the club's behaviour policy and suspensions and exclusions policy.
37. Parents and carers will be called to immediately collect any child who intentionally coughs or spits at others, or who displays serious physical and/or unsafe behaviour. Staff will clearly explain behaviour expectations regarding safety. If rules are broken, such as deliberately leaving designated areas and ignoring staff instructions, a warning will be given. If the behaviour continues, parents and carers will be called to collect the child immediately.
38. It is the parent/carer responsibility to ensure their child is collected from club in a timely manner should a child be excluded from a session. An estimated time of collection should be given to the club when notified of the need to collect the child and the normal collection procedures followed unless otherwise advised.
39. Grounds for Exclusion:

Ofsted no: 114519

- Persistent poor behaviour on the part of the child (which includes, but is not limited to, bullying, verbal abuse, physical violence, fighting, racial incidents, defiance, rudeness to others, dishonesty, disobedience, deliberate damage to property or persistent damage to the good feeling at the club), or non-persistent incidents of particularly serious behaviour (for example which endangers children or staff)
- Behaviour, suspensions and exclusions will be managed in line with the club's Behaviour Policy and Suspensions and Exclusions Policy. These policies will be identified during the registration process and must be read and agreed before bookings are authorised. Copies are also available on the school website and via the club on request.
- Where a parent/carer is in breach of any of our terms and conditions.

40. The club has the right to refuse admission.

Sickness, medical and hygiene

41. Parents/Carers must inform the club if the child has any known medical condition or health problem or has been in contact with infectious diseases. Parents/Carers must comply with the exclusion guidelines set by the Health Protection Agency; details are available from the school office. A child must not be brought to the club if unwell.
42. Attendance on the day is subject to your child being virus-free, as far as it is practicable to be sure. To this end you must NOT bring your child if they:
- o show any symptoms of COVID-19 on the day (high temperature, a new continuous cough, a loss or change to your sense of smell or taste)
 - o show any symptoms within 7 days prior to attending without negative testing
 - o are living with an individual who has shown symptoms within 14 days before the date of their attendance (they and you should be self-isolating as per government guidelines)
- Children who turn up with a cough – or who are accompanied by an adult or sibling with a cough – or who are otherwise obviously unwell will not be accepted by the registering member of club staff. The staff member's decision on this matter is final.
43. If a child is showing signs of being unwell whilst they are in the After School Club, staff will notify the parent/carer and ask them to collect their child immediately. If a child needs to be collected early, the full booked session will be charged for.
44. Face masks/coverings must not be worn during club sessions.
45. Children will be reminded by staff to wash and sanitise their hands (including using hand sanitiser) regularly, including between changes of environment and before snack.
46. The club will be regularly promoting the 'catch it, bin it, kill it' approach with the children.
47. Staff at the club cannot administer any form of medication during breakfast or After School Club, medicine can be given before dropping off at club, or after collecting from afterschool club. During holiday club medication can be given in-line with the schools supporting pupils with medical needs policy.

General

48. The Breakfast Club and After School Club are part of Pevensey and Westham Primary School and are governed by the school's local governing body.
49. The PaWS Xtra services are additional care outside normal school hours. The clubs policies and procedures reflect the school policies and procedures with some exceptions;

Ofsted no: 114519

- Behaviour Policy
- Suspensions and Exclusions Policy
- Uncollected Child Policy.

50. Parents are asked to respect and trust the decisions made by staff and behave in an appropriate manner to all staff.
51. The clubs are nut free.
52. We recognise the importance of healthy nutrition for children and for it to be delivered in a calm and friendly environment. Drinking water is available at all times for children to refill their water bottles. Breakfast is important and we advise parents to provide a full, nutritious breakfast at home before attending Breakfast Club. At the current time, Breakfast Club will provide a piece of fruit and milk as a snack before attending class and will not be providing a breakfast menu. A small, healthy snack is provided at After School Club but not a replacement for an evening meal. Parents/carers may wish to provide a small, healthy and nut free snack for consumption at After School Club.
53. We meet individual dietary requirements and parental preferences wherever possible. All requests must be made on the registration form and with prior agreement with the club. Menus are subject to change.
54. Additional measures to support Covid-19 safety will be applied throughout sessions including a club 'bubble' system that supports that used during the school day and the use of physical distancing. It is clearly impossible to maintain a 2m distance at all times with primary age children. We cannot guarantee that children will not be within touching distance of each other at brief times during the session. Please do not send your children in if you expect them to strictly maintain a 2m distance from everyone at every moment during the day – as it is simply impossible to do this while doing what we do. However, children will be grouped in 'bubbles' and any games or activities that involve touching or holding hands will be adapted to avoid physical contact, and children will be spaced out while engaged in social actions (such as eating or crafting) to maximise the distance between them.
55. We ask that children do not bring items of value to club. No toys or electronic items should be brought to club and mobile phones must be kept in the school office. The club cannot accept any responsibility for loss or damage of personal items brought to the club.
56. Cameras and personal media devices will be banned from the club.
57. The direct number to the club is 07565770248. This number is available from 7.30 to 8.30am and from 3.00pm to 5.00pm. The school office can be contacted on 01323 762269 (between 08:30 – 16:00. Email communications and booking enquiries via pawsxtra@pevenseyschool.org.uk.
58. The club reserve the right to change these terms and conditions at any time and will give written notice of such changes to parents / carers.

I agree to the above terms and conditions and agree that use of the PaWS Xtra extended schools service is subject to agreement of these terms and conditions.
