

## **Primor - Apata 2020 PAIRS TRIPLE CHALLENGE 2 Day Golf Tournament**

**Saturday & Sunday 17th & 18th October 2020**

Once again, the Waihi Golf Club is hosting the Primor-Apata Pairs – Triple challenge tournament on the weekend of 17<sup>th</sup> and 18<sup>th</sup> October, 2020.

As an entrant in previous tournaments the organising committee wishes to extend an invitation to you to enter this year's tournament. Please find attached the tournament poster, and an entry form.

Again, the playing format will be the same with Canadian foursomes on Saturday morning, followed by Scottish foursomes in the afternoon which quite often levels the field out! Sunday morning will be 4 ball best ball which gives the individual players a chance to play the whole Waihi course on their own. The computer will work out the best ball result for your pairing.

Once again, we have a generous prize pool. We can assure you that we will again have prizes of good value and will continue to have the prizes for the individual competitions. We are again most fortunate to have the support of our loyal sponsors who are acknowledged on the accompanying poster.

Carts: Again, we have carts available for hire for the tournament, but due to the numbers requiring carts they will be on a shared basis. Please indicate if you will need a cart. Preference will be given to those with a medical condition.

We are looking forward to again hosting this tournament. It is our aim to ensure that we conduct a well organised tournament with a great prize list, and that all players have a very friendly and enjoyable weekend. We would be delighted to once again receive your entry.

Kind Regards,  
Primor-Apata Pairs – Triple Challenge Organising Committee.
