ON LINE LEARNING AVAILABLE TO INTERESTED MEMBERS

Dear Club Committees,

There have been some online learning courses provided by Sport New Zealand and NZ Drug Free which may be of interest to your members.

These are free – however if you wish to participate and also gain NZQA credits for the “Health & Safety Course there is a small fee.

Take a look and pass the information onto your club members.

- **Sport New Zealand portal:** [Sport Tutor Here](#)

This site covers

SPORT SAFE (with and without credits) Health & Safety as it applies to clubs etc and GOVERNANCE 101 (added today)

Club committees should also familiarise themselves with the [H&S Reform Volunteer Guide](#)

- **Drug Free Sport portal:** [Anti Doping Course](#)

This site has been set up to ensure as many athletes as possible get access to anti-doping education. NZIHA encourage especially all athletes representing New Zealand or planning to in the future as part of athlete training and awareness.

[Drug Free Sport](#) provide a huge amount of information on anti-doping online, medications can be checked, 2015 code can be researched along with an athlete support network.

Kind regards

Krystyna Beardman

**Operations Manager
(for) New Zealand Inline Hockey Association**
