OCEANIA BULLETIN 4 - MARCH 8, 2009

Hello: %%FIRST%%

TRAINING CAMPS

Training camps remain in place for March and April weekends. These two final camps are extremely important as teams/ players will:

1. Have team photos taken
2. Have uniform orders distributed
3. Complete any / all outstanding documentation
4. Make final payments
5. Meet with team management to review details
6. Receive air tickets and related information

FINAL PAYMENTS

It is critical at the final training camp that all payment commitments are met. ALL players and officials are asked to ensure final payments are available to collect at camp or paid prior.

NZIHA have commitments to meet with accommodation and transport providers in Australia and due to this you are asked:

1. If payments can be met prior to camp via internet banking this would be appreciated
2. Payments at camp be paid by EFTPOS/ Debit Card, Visa and/ or Cash if at all possible. This will overcome delays with clearance time for cheques being banked as final installments are required before Easter for all costs associated with this campaign
