Inline Hockey New Zealand - Board and Operations Bulletin

Message from Paul Cameron, Independent Advisor & IHNZ Appointments Chair

Unfortunately respected Interim Board Chair, Grant Novak, has had to step aside for personal reasons after a short spell in the role. The Appointments Panel of Paul Cameron & Paul Franklin, NZIH Legal advisor, after consultation with remaining Interim Board members & some members of the Inline community, are pleased to announce Ben Wilde will lead the Board for the remainder of the interim period. The Interim Board is providing guidance, steadying the organisation before a new longer term Board is appointed.
