Call for NZ Team Selectors & Coaches 2015

Applications are now open for NZ International Team Coaches and Selectors for the 2015 season.

Closing date: Wednesday 20 October 2014

Application form available from NZIHA website: inlinehockeynz.org.nz

International Competition 2015

NZIHA have elected to enter teams in the following competitions in 2015:

Oceania - Gold Coast, Australia, April 2015 (tbc)
FIRS - Argentina, June 2015

The Board of NZIHA voted against participation at IIHF in Finland earlier this year. The criteria for decision making changed when we were in France at FIRS. On return the Board sought to host a qualifier but IIHF had already allocated the competition and a decision not to qualify in Finland 2015 has been taken, it is therefore no longer an option. [Check out the survey for 21U eligible players](#)

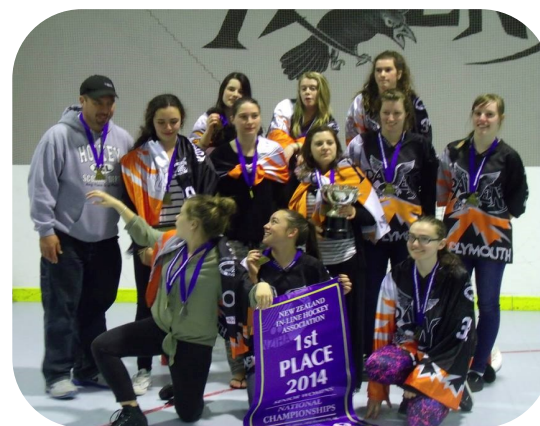

Teams:

FIRS: Senior Men, Senior Women, 18U Junior Men, 18U Junior Women

Oceania: 12U, 14U, 16U, 14U Junior Women, Masters & Veterans.

U21 competition yet to be determined, either Australia or USA - players will be informed once survey of all eligible completed.

2014 Nationals Women
1st Place - Ravens

October 2014

2015 NZ Team Trials: 29-30 November 2014, New Plymouth

IMPORTANT INFORMATION:

Trials are being held for **ALL** NZ 2015 International Teams (Oceania and FIRS).

Trial fee \$60 - one off weekend fee - covers more than one trial, e.g. 16U Oceania & FIRS 18U Men.

Main rink and small rink will be used for trials.

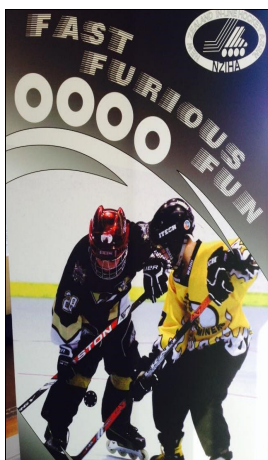

If you are unable to attend the November trial, dispensation must be applied for in writing at least 10 days prior to trial dates. Request to: [Krys Beardman, Operations Manager, NZIHA](mailto:Krys.Beardman@nzinline.org.nz). (nz.inline@gmail.com)

Dispensation fee \$100. \$20 credited to your player costs if selected. List of players requesting dispensation will be published one week before the trial date. Dispensation fee **MUST** be received by direct debit into ASB account with emailed application. Request details if required.

Grow the Game ..

NZIHA certainly hopes with the subtle changes that are occurring within the sport that Clubs support the volunteer efforts of the Board and make strong plans for 'growth' in 2015.

As a TEAM working together we can make a difference. In that regard it is essential that Clubs record Competitive, School and Recreational participation, as this is the information that NZIHA needs to supply to Skate NZ for Sport NZ. It's a numbers game at this level.

Universal Open Day for Inline Hockey 14/15 February 2015

As part of aligning our actions Krys & Tim are seeking clubs to support a "national" Open Day for all Clubs at the start of 2015 so we can co-ordinate publicity of the sport. Any new ideas in the area of growth are welcomed by the board please do not hesitate to communicate with us.

Dave Hammond

New Zealand inline community currently have the pleasure of hosting Dave Hammond. He is assisting our sport with the Coach and Player Development Initiative being a key strategic focus in order to 'Build the Game'. The feedback from Clubs and the Coaching Committee has been exceptionally positive and they are welcoming this assistance. His work with the Coaching Committee is looking at continued club coach development for 2015.

As part of this initiative Dave has delivered a grassroots development programme for Clubs. This is a product from Skate Australia and NZIHA are grateful to both **Gordon Young and Skate Australia** for allowing us to use their product. Hard copies of the programme will be delivered to Clubs at Inter-Regionals.

Changes to NZIHA Admin

1. Krys Beardman and Jenny Henry are working together to introduce a new Sports Ground registration system called "Super Forms". Players will be able to register online and clubs will be able to maintain their player information more efficiently. It is planned for 2015 season.
2. NZIHA fee will become a flat fee in 2015 of \$35 for all players (junior or senior), to be increased to \$40 for all players in 2016.
3. Dave Carrington & Krys Beardman are presently working with Mark Sutton who will assist operational finance processing, with Krys retaining payments.
4. Karen Fuller will be assisting operations by generating regular updates for information. The intention is for a calendar of communications to be drawn up for the 2015 season.

*NZIHA Board would like to thank volunteers
for stepping up to build the game.*
