

OOPS! We did it again!

Oceania 2006 - Congratulations to all NZ Oceania players and officials, all the hard training and commitment paid off once again. New Zealand teams won 5 of the 8 grades contested.

The facility in Glenfield provided an action packed 5-day championship, enjoyed by all.

The accommodation split this year was widely accepted after a few initial concerns from junior parents. The junior teams were fortunate enough to have "home" cooked breakfasts and a big "thank you" goes out to *Jenny Smith and Julia Craig* for taking on this task ensuring these young athletes were well nourished before their first games each day. The RSA provided evening meals and reported their delight in meeting our younger athletes and were impressed with their behaviour and politeness.

Thank you to all coaches and officials, you did a great job, our teams looked great, played well and were well cared for.

The teams were very fortunate to have donated transport from **Albany Toyota** in addition to the hired vans.

Tauranga Queens Birthday Tournament

This year was the 10th Annual Queens Birthday Weekend Tournament for the Tauranga Ducks. We decided to take a gamble and include the U14 grade due to lack of numbers in the U10s. This paid off with a great success.

We had a total of 17 teams entered this year with 8 x U14s and 7 x U12s. We also included in Saturdays schedule, two friendly games for Mt Wellington Panthers U10s versus Waihi Miners U10s. It was great to see the little ones out there having a go and finding out what fun this sport really is.

We had teams from as far North as Auckland and as far South as Palmerston

North. The weekend was full of awesome hockey, new and old friendships and some great results.

The finals for both grades saw some nail biting tiebreakers. Each of these games went into extra time.

In the U14 grade, for the second year in a row Auckland Fury took out the number one placing, with Waihi Miners coming in a close second, and in third place was Hamilton Devils Red.

Mt Wellington Panthers took home the cup in the U12 grade; with Hamilton Devils in second place, and close behind in third was Piako Pirates.

We also awarded an MVP for each grade this year. These went to Cameron Mitchell from Auckland Fury U14s, and to Shaun Harrison from Mt Wellington Panthers U12s. (from Maxine Dines)

DO YOU WEAR PELVIC PROTECTION WHEN PLAYING SPORT?

Did you know that a puck can move at a speed of up to 162km/hr or 100mph?

Compulsory equipment for all inline hockey players includes pelvic protection. Both male and female players risk serious and possible permanent injury if not protected. **Don't risk it!** You could end up with ongoing medical problems including hospitalization and surgery.

WEAR YOUR BOX!

You'll be glad you did!

Carrying case not included.

That puts up to you.

Ravens Senior QBW Tournament

The Raven's Senior Tournament took place in June. There was great support from the Lower & Northern Clubs and excellent competition on offer to all. With 9 teams entered in each of the 16 and Open grades and 5 teams entered in the Under 20 grade the competition schedule (65 games) meant some VERY early morning starts and midnight finishes. Players took this in their stride and from feedback received were pleased with the numbers of games scheduled for them over the long week-

end. This year teams competed in pools and round robin games and then moved into a knockout round to determine the overall winners. Results were:

Under 16: Ravens (1st), Renegades (2nd) Canucks (3rd)

Under 20 Grade: Jackals (1st), Renegades (2nd), Fury (3rd)

Open Grade: Renegades (1st), Panthers (2nd), Titans (3rd)
