HAERE MAI**

On Monday we welcomed Kahui Newport to Kākano 3. We wish him and his family all the best on their learning journey with us.

Visit by Waikato Principals

Today 30 principals from the Waikato visited our school as part of a study tour of a few Wellington schools. Greenacres has established a reputation as a model school in collaborative learning and student agency. The principals spent time observing our students and teachers in action. We enjoyed the opportunity to host the principals and share our learning journey with them. From their questions and comments, we are confident the principals have learned much from their visit which they will be keen to share with their colleagues in the Waikato.

Hope you are managing to keep warm as winter has finally arrived!

Kind Regards

Shirley Porteous
Principal
