'Te Taiao Nature' Te Papa

Dear Parents and Caregivers

To complete our successful science inquiry into the diversity of nature and link to our Term 3 unit on the 'diversity of the arts', we have planned a school wide trip to visit the new installation 'Te Taiao Nature' at Te Papa. A group of our teachers was invited to a workshop earlier this term and experienced the wonderful learning opportunities in this new area.

Although we would have loved to have visited this term, the earliest we could get a booking is Week 1 Term 3:

Tues 23 July **Tōtara and Ngahere**
Wed 24 July **Kākano and Te Rito**

We will be travelling to and from Te Papa by bus. Students will need a packed lunch, water bottle and jacket.

We will be attending some sessions with Te Papa educators but we will also need parent helpers to guide small groups around the museum throughout the day. Designated helpers will be able to travel with us on the bus to Te Papa but if they prefer can meet us there. Unfortunately this trip is not suitable for preschoolers.

We have been fortunate to get subsidised tickets to the Te Taiao explorer programme. The cost for the day including the bus will be \$12.

Kind Regards
Kim Paver
Head of Science
