Sponsorship prospectus

NetHui website: nethui.nz

Your involvement

We want to invite your organisation to be involved in one of the most diverse and well-loved Internet events in New Zealand - NetHui 2017.

NetHui will provide unique opportunities for you to:

- position your organisation as a key supporter of the development of New Zealand's Internet
- access a hugely diverse set of attendees all interested in shaping the Internet and using its potential for the good of New Zealand
- be 'in the room' as the community and tech sector debate key issues and opportunities that will shape the Internet world.

Don't miss out on being part of this year's NetHui. You'll be seen at a popular and esteemed event and you'll be able to network with people who do incredible things with the Internet and related technologies.

About NetHui 2017

NetHui 2017 is taking place from 9-10 November 2017 at the Aotea Centre in central Auckland.

NetHui is a place where we learn, share, discuss and expand our networks on the future of the Internet and surrounding issues.

NetHui isn't a conference and we don't just sit and listen to speakers and experts - we participate. NetHui is a collaborative meeting of anyone and everyone interested in the Internet - how it works, how it could work, and what we can do with it.

NetHui is in fact New Zealand's national IGF (Internet Governance Forum) initiative - one of the biggest IGF initiatives in the world.

2017 will see the comeback of the original 'national style' NetHui.

Last year we took NetHui to the regions for three smaller one-day events. But this year - as promised - our classic national event is back.

NetHui has traditionally had a large attendance and we're expecting around 500 people at NetHui 2017.

A key characteristic of this event is the low cost of attendance which ensures genuine cross-sector participation and discussion. We don't make a profit from NetHui. Rather, we - with the help of our sponsors - see the event as an investment in New Zealand's Internet.

The programme will be formed by the community on topics they want to hear about and discuss. Our facilitators will be community members, assisted by us at InternetNZ, to run engaging and vibrant sessions.

More information about NetHui can be found at nethui.nz

Dates and venue

This year we're returning to NetHui's original 'national' style. It will be held from **9-10 November 2017** at the Aotea Centre at 50 Mayoral Drive in central **Auckland**.

On **8 November** – the day before the opening of NetHui – the Aotea Centre will also be home to the NZ Internet Research Forum. For more information visit:

Programme

NetHui is known for its rather unconventional programme format. It's not something that's put together by a group of heads at InternetNZ – instead it's built from the community and NetHui participants.

We showcase and discuss issues and topics that are most important to participants. And InternetNZ is just here to make it all happen and run smoothly.

The programme will be set through an Expressions of Interest process with programme development assistance from us. This will ensure the programme is a community driven and collaborative effort.

We will also have a high profile keynote speaker. As soon as this keynote is secured it will be available on the NetHui website.

If you want to suggest a topic, or be part of building the programme, you can let us know when our Expressions of Interest is open. This information will be on the NetHui website and will be sent to all sponsors via email.

Our fabulous MC Michele A'Court

We are so thrilled to announce we have secured the very funny and talented Michele A'Court to be our MC.
