

## Nationals Selection Guidelines

### Key Points:

**To help the committee choose competitive teams to send to the New Zealand National Championships to positively represent the Waihi Inline Hockey Club.**

The following points will be considered:

- The team must consist of 8 competent players and a goalie.
- Team performance for the current season will be reviewed through game statistics.
- The committee will seek and take into consideration the view point of the team coach and manager however, the final decision will be made by the committee.
- Location of Nationals.
- Cost needs to be a consideration: entry fee, accommodation, location and parent support.
- Parents need to be made aware of the expectation and intention of the NZ National Championships.
- The committee reserves the right to request a player/s transfer from another club to create a viable team for the Waihi Inline Hockey Club.

### Player Transfers:

Players wishing to transfer to another club, in the event that the Waihi Inline Hockey Club is unable to field a team in the grade in which they play, need to inform the committee of their intention. The purpose of the transfer should be to create a viable team for the club being transferred to. The committee will not endorse team stacking.
