WHAT IS INCLUDED:

- L1 Health & Safety in Construction Environment Award (required for CSCS card)
- CITB Operatives Health, Safety & Environment Test (required for CSCS card)

The course also includes broader skills and qualifications to support your employability within the construction industry:

- Entry Level 3 Award in Occupational Studies for the Workplace
- Level 1 Award in Health & Safety Awareness
- Application for the CSCS Card upon successful completion of the course.

Further Information

All individuals wanting to work in the construction industry in the UK require a valid CSCS card. To apply for a CSCS Green Labourer Card, you need to pass the Level 1 Award in Health and Safety in a Construction Environment, as well as the CITB Health, Safety and Environment Test.

Without this qualification you cannot work in the construction industry in the UK.
