Good Morning

Please be advised that all school teams entering the School Sport NZ Inline Hockey Cup must have their uniform approved by their high school Principal if representing as a single school team in the Cup division.

In the case of a combined or mixed team, the uniform design and team name must be approved by the organiser and IHNZ to ensure it is appropriate and to ensure any video streaming or photography can be used for promotional purpose.

Any further questions you may have regarding this please forward to gm@inlinehockeynz.org.nz by Friday 30 April 2021.

Yours sincerely
