Summary

Willibald Farm is a growing farm distillery & restaurant located in Waterloo Region, just outside of the small village of Ayr. Our distillery has a strong focus on high quality, premium spirits that are made 100% on our farm. Our on-site restaurant focuses on true farm-to-table dining influenced heavily from our wood-fired oven, on-site beef cattle, and vegetable gardens. We use a mix of traditional and modern techniques with a strong focus on whole animal butchery, charcuterie, and wild fermentation that enable us to create a unique and constantly changing dining experience.

We are seeking a hard working and creative cook to join our team in this full-time position. We would love to hear from you if you feel qualified for the role and want to be a part of Willibald.

- Strong personal skills, highly motivated, and creative
- Knowledge of kitchen safety, and general kitchen sanitation compliance
- A demonstrated commitment to a career in cooking as evident from relevant education and/or cooking experience
