Kia Ora te whanau

Who can believe week 3 is here already! It's great to see our teaching staff enthusiastically delivering amazing programs across the school for your tamariki. A special congratulations to Caitlin and Sarah in Room 6, you are doing an incredible job of helping our littlest people become school kids. Your program is warm, friendly and engaging, with lots of learning opportunities for the children to shine and develop.

Thank you so very much to all parents who give up your time to support your children in the classrooms and with various programs. If you would like to help in any of the classrooms, please make a time that suits both you and the class teacher, to do so. For our programs to run smoothly and for children to be engaged, they need to be able to focus, so prior arrangements are both welcome and vital. Thank you for your understanding and support in this.

New sports kick off this week for our Year 5 and 6 children. Both Hockey and basketball are going to be exciting and another way for your child's confidence and team building to grow.

Our Breakfast club needs a bit more excitement in it's life! If you have some tinned peaches, cheese or anything else you think might be helpful, please send your donations to school to Mrs Laing - thanks so much!

As you are aware, it is Teacher Only Day tomorrow - this means there will be no staff on site to supervise your children. Instead our staff have a day of learning about neuro-science and how we can support brain development with our learning programs. Very exciting!

Our team will support you to understand and manage the challenges of fostering a young person, and we will be there with you to celebrate the successes.

You may be surprised; you could be just the right person to offer your care to a young person who needs you!

If you are interested in finding out more, or know someone who may be interested, or

if you think you might be able to help in some other way then we would love to hear from you! Please contact **Johnson Taoho**, Care Services Manager, on 07 957-4740 or [johnson.taoho001@cyf.govt.nz](mailto:johnson.taoho001@cyf.govt.nz)

### Do you ever find parenting a challenge?

My name is Nita and I am a social work student on placement at the Waihi Community Resource Centre. I am working on a research project to see if there is any interest in starting a parenting support group in our community.

I am interested in your views as to what this group could look like. Please take the time to fill out my short survey online before the 15th of August and you will go in the draw to win a grocery voucher.
