Seasons for Growth Programme.

Learning to live with change and loss

Change and loss are issues that affect all of us at some stage in our lives. At Waihi East School we recognise that when change occurs in families through death, separation, divorce and related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called *Seasons for Growth* running in school during school time as required. If your child has gone through significant change and you would like your child to attend *Seasons for Growth* please ask Briar or Sharon for brochure and permission slip. For further information contact the program co-ordinator on 022 083 5478 or email waihi@seasons.org.nz.

PB4L

The **PB4L** journey has been continuing. As a school and community we have been investigating and developing a set of values that reflect our whanau, staff and our students. Once those values are confirmed we can start refining our positive behaviours for learning. This will include doing things like teaching those values in class and aligning our student recognition (rewards/certificates) systems with these values. Keep an eye out over the next few weeks, in the newsletters, for the values and take the chance to chat with your children about them. Thank you very much for all your valuable feedback.

HEALTHY HOME BAKING

VEG IT UP
