## Waihi East Primary School Newsletter Term 1 Week 2 14 February 2019

Kia ora koutou,

A huge welcome back to all our whanau and friends, Term 1 has kicked off very well. We have a school full of tamariki who are refreshed, energized and rearing to get stuck into all the learning opportunities Term 1 has to offer.

A very warm welcome to our new families; we look forward to working together with you so that together we will be **Inspiring confident and resourceful learners who Rise Above and Shine**. It was amazing to see so many of you taking part in our Mihi Whakatau this week.

There is a lot happening in the coming weeks with camps, trips and sports starting up. We will keep posting reminders on Facebook as events get closer. If permissions slips and information have not made it home, contact the office for another one.

Make sure you follow us on our official school Facebook page 'Waihi East Primary School'.

A huge thank you to all those that came to our Meet with the Teacher BBQ and hang out.

Thanks to all our whanau who supported the HeartKids Mufti day today. We raised \$180 for HeartKids!

Zac

## START/FINISH TIMES

The start time for each school day is 9am. Active supervision by staff from 8.30am. School finishes at 3pm. The school bus leaves at 2.50pm.

## EAST SCHOOL OFFICE HOURS FOR 2019

Office hours have changed for 2019.

The office will be open from 8.15am to 3.15pm for all enquiries.

## SCHOOL DONATION

The school donation remains the same this year. The funds will be used to provide classroom consumables and resources, as well as subsidising photocopying costs etc. Thank you for your continued support. We also have forms at school for Automatic Payments if you prefer.

The Donations are:

- \* 1 child family - \$50 [\$15 each term]
- \* 2 child family - \$90 per family [\$30 per term]
- \* 3 child family - \$120 per family [\$40 per term]
- ◆ 4 children plus is \$150 per family or \$40 per term. The per year figure is discounted if paid in one lump sum.

## PB4L

Our school is proud to be part of the nationwide PB4L initiative. PB4L stands for Positive Behaviour for Learning and encompasses a pro-active, information driven and restorative approach designed to uphold whānau values. This term you'll see that our school rules are aligned to our new school values, that were developed from our whānau consultation.

## UNIFORM

Please name ALL uniform, togs, towels, shoes, drink bottles and lunch boxes for ease of returning to the correct student. Thanks.☺

## HATS

Children need to wear hats when outside in Terms 1 & 4. These are available from the office and are \$8 each. The hats are kept at school but sent home at the end of term for cleaning. No hat, means the child does not go out in the sun at morning tea and lunchtime. No other hats are allowed at school.

## PUPIL ABSENCE FROM SCHOOL

So there are no doubts as to a child's whereabouts, parents are asked to inform the school whenever their child is going to be absent. If the child is away for several days it is only necessary to let the school know on the first day of absence. It is still appropriate to send a note of explanation or make contact with the teacher after a lengthy absence. On the first day of absence the school can be notified in either of the following ways:

- 1) by telephoning - 863 8693
- 2) by sending a note to the child's teacher via another child.
- 3) sending a text to **021 0258 4817**

Sharon or another staff member will take the message and note it on a form that is circulated to all classes by 9.30am each day.

**Note:** It is a legal requirement for schools to be advised of children's absences.

## INFORMATION ON YOUR CHILDREN

The school keeps certain information on your children and it is most important that we are updated if any of the following details change: Phone no's, address, email, doctor, medical problems, change of caregivers, emergency contact (which we use if we cannot get anyone at home).

Please call into the office or send a note with any changes.

## PAYMENTS

We realise that money can be a wee bit tight at this time of year. To make the start of year slightly easier, the administration team can help you set up an automatic payment. Our bank account number for all payments is 03 1575 0042679-01. Eft-pos is also available.

## UP AND COMING EXTRA CURRICULAR ACTIVITIES

Most students are going to be attending some form of extra curricular activity in the coming weeks. Please make sure you have paid for these as soon as possible or contacted the office to let us know how you will pay.

As you will be aware the government DOES NOT fund at high enough levels to cover all the costs of extra curricular activities. However as a school we do budget and fundraise to subsidise most excursions and trips. This does mean we ask parents for a contribution towards the activities. We are aware that this is an expensive time of year for everyone right on the back of Christmas and summer holidaying, however we love to see all students taking part, so if you are having trouble making ends meet, please contact us at school so we can make arrangements.

Quite often we have families contributing extra to help out other families, so there are always options.

## HEALTH MATTERS AND ALLERGIES

Parents are asked to write a note or speak with the child's teacher if there are health matters or allergies such as bee stings that may seriously affect your child. Wherever necessary, medication, named and with full instructions affixed, will be kept in the locked medical cupboard at school.

The school needs a medication consent form for any child that staff may have to administer medication to. If your child is one of these, see Sharon in the office. Parents of children who have grommets in their ears or who have ear infection problems are asked to discuss problems associated with swimming with the teacher. In such cases tight fitting bathing caps can be a partial solution. [Any wounds should be covered for swimming].

## SUSHI LUNCHES

We have sushi bought lunch every week on Fridays only. 4 pieces of sushi for \$4.50. Order forms are available at the office.

## PARKING

NP means No Parking. Please do not park in any NP zones around the school. Often we are expecting deliveries and need the space kept clear. Thanks for your cooperation in this matter.

## UNIFORMS

At Waihi East our expectation is school uniform to be worn. Clothing may be supplied if your child is often out of uniform. Remember our bottoms are to be plain black, navy or denim, minimum of mid thigh in length.

**Please name ALL uniform, togs, towels, shoes and lunch boxes for ease of returning to the correct student.**

## SCHOOL NEWSLETTERS—THURSDAYS

Thursday is school newsletter day and a newsletter is issued **every Thursday** - ask your child for it each Wednesday or check it out on our school website. Usually school newsletters are given to the eldest child in a family or the only child going to East School. These newsletters are the main means of communicating with parents and I would ask that parents read them carefully. Quite often a reply slip is attached and it is most helpful if we get an early response to such requests. Many thanks! We appreciate the support of those who pay for adverts on the newsletter. Please support them with your patronage. Newsletters are also emailed out so if you are not receiving newsletter emails please let the office know so we can add your email to the list.

## MUSIC TUITION 2019

Music lessons will be available at school this year. New pupils welcome! Spaces limited but spaces for singing lessons available.

Contact Meryl Bennet ASAP to secure your space. 021 2341721 or email [merylmusic@outlook.com](mailto:merylmusic@outlook.com)

## NITS

Nits are making their presence known at school at the moment. If you need some kidsCan spray please see Sharon in the office.

## BREAKFAST CLUB

Hi Lovely Whanau

You don't need to commit to every day but if we could get one person for each morning that would be great. If you have any questions please speak to Jo Derham in Room 4.

## LITTLE HEART DAY

Every week in NZ 12 babies are born with a congenital heart defect (CHD), affecting over 600 families! CHD is the most common birth abnormality in NZ needing ongoing medical intervention. Sometimes, previously healthy children can develop a heart condition due to illness like Rheumatic fever or Kawasaki disease. There is neither prevention or cure for CHD. Every year over 550 major heart surgeries are performed on children or babies - sometimes in their first few hours of life! Heart kids is not for profit and entirely funded by the generosity of New Zealanders! Heart Kids provides support to heart kids and their families for life! The practical and emotional support from Heart Kids is hugely important to individuals and families living with the day to day challenges of living with a childhood heart condition.
