Check out our new back page with some new advertisers!! Thanks to all our advertisers. We really appreciate your support. All funds go towards our Duffy Books in Schools Programme.

## MOBILE DENTAL UNIT

The Mobile Dental Unit is at Waihi East School at the moment. Due to a new Waikato District Health Board policy we will be booking children in by appointment and parents will be sent a text message 2-3 days prior. This gives the parents the opportunity to attend the appointment. If you do not wish to or are unable to attend your child will be brought over from class, as has occurred in the past.

**If all parents could please help us by signing and returning any dental forms you may see in your child's bag as soon as possible to either the school office or mobile dental unit.**

We also see pre-school children. Please give us a call to make an appointment.

Thank you,

Mobile Dental Unit. Ph. 021 359 798.

## PB4L News

### Positive Behaviour for Learning.

As part of our PB4L journey, we have conducted a well-being survey with a sample of Year 4-6 children. It is important to us that our tamariki have a say. The survey was really positive, indicating that we have a welcoming school environment for children and whanau, children feel that they belong, that children are involved in their learning and our teachers are implementing programmes that consider the children's needs and interests. We are continuing to work on our school values and what this looks like in action for our tamariki according to what is age appropriate. As always, we welcome your feedback as to what we can do to further embrace the positive culture of our wonderful school. Feel free to touch base with your child's teacher or email
