## *Our Values*

*Honesty & Trustworthiness | Independence & Initiative | Tolerance & Caring | Courtesy & Manners | Responsibility & Fairplay | Respect for Self, Others & Property*

Kia ora

The final week of the term is here and we all made it! The usual ills and chills have been present, however Doctor Tineke has sorted most of us out! Next term our school community welcomes Stephanie Anich as Acting Principal for term 2. Stephanie will be living in the community and looks forward to being part of our team. Stephanie will continue to use the Waihi East School Principal email address (principal@east.school.nz) I am sure you will all make her feel very welcome during her time at school.

Next term we welcome Michelle Burr to our team as teacher aide. Michelle has relieved in this capacity on many occasions and her pre-school knowledge and leadership will be a fabulous resource to our school. Our beautiful Lisa Neame will return to school for the first week of next term to help Michelle with class programmes. Thank you Lisa for being so thoughtful and kind.

I have started a Bring Back Ross campaign! Our cheerful Mr. Cowan is currently on sick leave and boy, do we miss him. You don't realize how amazing a person is until they disappear for a week. Hopefully we will welcome Ross back next week. In Ross' absence we have been very fortunate to have Robin and David in the role. Thank you both for dropping everything to take on the caretaker position. We owe you both big time.

The playground is coming along beautifully. A truly massive thank you to Streets Ahead for this stunning resource. The team from Playground Creations are used by visionary councils and community groups to use the resources on hand and springboard new equipment into spaces. Check out the design on the office window. The aim is to have an official opening early next term. Watch this space for more information.

It is time to think about standing for the Waihi East Board of Trustees. Please consider joining the team and bringing your skills and positive attitude to our Board meetings. Sharon Samson is our Returning Officer. She will be sending out information as it comes to hand.

The school pool officially closes on Friday 15th of April. Thank you to the support team who ensured the pool was open for use in out of school hours and to Ross for keeping the area safe and clean. Please return your pool key next term and receive your \$5 refund.

This is my last newsletter at Waihi East School. Thank you for your support, encouragement and kind words. Enjoy your new leadership team. Take care and enjoy everything Waihi East has to offer your whanau. Be bold, strong and be active in your school.

Nga mihi nui

Emily (ehargreaves@east.school.nz)

#### **PUMPKIN WEIGH IN**

Just a reminder that we have our Giant pumpkin weigh in on **tonight**. Any donations for our hampers can be left at the office. All donations receive an entry into the big Spot Prize on the day. This is an afternoon event, 4pm start.

## Kids' Work

On Tuesday the 5th of April the Duffy Team came and did a fantastic show for the whole school. It was based on a real story, there were two men and a woman, they were very good characters. It was about how you should go to school and learn to read because if you don't when you are older you might get letters or mail from family far far away and you won't get to read them cause you can't read.

There was a character and his name was Duffy. He built a time travel machine so he could time travel through time. He helped Ruby's Dad by rearranging events after he went to war and died. Ruby never got to learn to read first time around because her Dad died in the war and Ruby had to work so hard back at home that there was no time for her to learn to read. So Duffy time travelled back and saved Ruby's Dad, he was able to come home after the war and Ruby got put in school and learned how to read. Now she is a very good reader. Great now Ruby and her Dad are living happily on their farm again.

## ANZ OLYMPIC SCHOOLS

Waihi East School is a part of the ANZ Olympic School programme. ANZ has developed the ANZ Olympic Schools Programme with the New Zealand Olympic Committee to provide schools with resources to inspire and motivate New Zealand children through the magic and celebration of achievement the Olympics delivers. Through the programme, when you refer fellow parents and friends in your school network to ANZ for their home or business lending, your chosen school will have the opportunity to secure an Olympian visit at their school. Plus, for every successful home or business loan referral of \$50k or more, the school also earns credits to spend at the ANZ awards centre on new IT equipment or sports gear.

## COMMUNITY NOTICES

### NUGGET VOLUNTEERS

Does anyone fancy volunteering a few of hours or more for the Nugget? It's on Saturday May 7th and the Nugget team are in desperate need of marshals to support this amazing local event. You can choose the beach or town area, morning or afternoon. The only experience needed is a cheerful disposition to encourage the competitors as they pass, and to make sure they are sticking safely to the course! If you are interested you can email Ali Howie on [ali@bularangi.com](mailto:ali@bularangi.com).
