Our Values

Honesty & Trustworthiness | Independence & Initiative | Tolerance & Caring | Courtesy & Manners | Responsibility & Fairplay | Respect for Self, Others & Property

Warm greetings to you all,

Another week has flown by in a flash! A huge THANK YOU to Judi Billcliff, who visited us last Friday as a Duffy Book Role Model. She was outstanding: engaging, inspiring, funny and charismatic. So much so, we are hoping to get her back to run workshops with students and teachers either next term or Term 1, 2017. All students should have come home with their new Duffy books this week.

Our Duffy books (free books in homes) are funded through sponsorship of different companies. Unfortunately, we have just heard that our main sponsor for the Duffy books has had to withdraw their sponsorship. We are now on the hunt for new sponsors to help cover the cost of getting books into homes. If you have contacts with any businesses or people that may be interested in contributing to get books into homes, please flick me an email or let Sharon know. We will have an information pack and letter available to send them.

Again I would like to thank the parents that are stopping to let us cross the road after school, we have more and more people stopping and waving us across. As you leave school and travel down Gladstone Road, please be aware that we have a handful of students that cross the road with their bikes. Please take extra care as you pass the gates halfway down our fields. We try to man the gate, however at times staff get caught up with other parents and don't make it there in time. If you see students behaving unsafely, crossing or biking, please let the office know so we can follow it up.

In the coming week and a half, we will be having emergency drills. Fire, earthquake and lock down. If students come home talking about fires, earthquakes and lockdowns it will be a result of our drills. In all cases, if there are **real** incidences you will be informed formally by text and / or letter home.

New World is currently giving away seed raising plant pots. If you receive them and do not want them at home we would love to have them at school!

Have a great week
Zac

DIGITAL LEARNING WORKSHOP

Using ICT to promote children's learning in a fun, interactive workshop. Run by Mrs Laing and Mrs Coll, you will get practical tips and information about how you can support your child's learning using online games and activities. There will be child-care available. It's FREE and FUN. See you at school today Wednesday 14th September at 5:15pm. Please text Nik Laing 0274338821 to confirm a spot. \$50 grocery voucher draw. One entry for every person attending.

Snow and Ginger

One day there was fluffy cat. She lived in a beautiful house. Her name was Snow. Her owner was really sick so Snow had to go out on her own. She went and found a new home across the road. The person that lived there was friendly and let Snow stay for a bit. Then from nowhere a dog came out of the corner. It was Ginger. The owner said that there was nowhere to go so she kept Snow. Ginger and Snow became friends. Ginger let Snow sleep in her bed. They played together. The owner came back from the shops. She brought back a toy for Ginger. Snow had nothing to play with so Ginger let Snow play with the toy. The owner brought back a collar for Snow. It was black.. Then Ginger came back from a walk. One of the owners brought a new dog back. They called it Gizmo. Snow went and had a sniff but Gizmo barked. She liked Snow but then Ginger came into the room. All three dogs played and then the owner put some food in the bowl. Gizmo,, Snow and Ginger went and ate. The owner came back from the shop. He brought a collar for Gizmo. The collar was blue. Then Snow went and found a ball to play with. The two dogs came out and played too. The owner said to the other owner "Look at Gizmo, Snow and Ginger, they play really good." Then one of the owners went up to the shop and brought a bag full of dog food and cat food. Then it started to rain so Snow, Gizmo and Ginger went inside and had a nap. Snow and Ginger shared a bed and Gizmo slept on one of the owners. Then the owners went to bed and the dogs and Snow went to bed.

SEASONS FOR GROWTH PROGRAM

Learning to live with change and loss.

Change and loss are issues that affect all of us at some stage in our lives. At Waihi East School we recognise that when change occurs in families through death, separation, divorce and related circumstances. Young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called *Seasons for Growth* at Waihi East School, with groups running at school in school time as required. If your child has gone through significant change and you would like your child to attend *Seasons for Growth* please ask for an information letter/permission slip at the office. For further information contact the program coordinator on 022 083 5478 or email waihi@seasons.org.nz

HELP POLICE FIGHT P IN HAURAKI

PUBLIC MEETING

**7pm Wednesday 21 September
in the Waihi College Hall**

A presentation by members of the New Zealand Police Organised Crime Squad on **Awareness of Methamphetamine in our Community.**

- ▶ Receive valuable, first-hand information on the effects and prevalence of Meth/P
- ▶ Find out how to identify the signs and signals "all is not well"
- ▶ Learn how you can assist Police to keep your community safe from Meth/P
- ▶ Discover where to turn for help should you know someone who has an issue with Meth/P

Everyone is urged to attend. Methamphetamine use is not unique to Waihi, but the Waihi community can make a difference by coming together and helping the Police fight P.

This initiative is supported by Hauraki District Council, Go Waihi and Waihi College.
