WEEKLY NOTICES AND REMINDERS

Kia Ora Whanau,

What an awesome first week back! We have had rain, wind, sunshine, puddles and mud. Winter is certainly here!

The classrooms are vibrant and welcoming, and all our staff have been so pleased to see our wee smiling faces return to school, rested and ready for a busy term 3!

We have many different things happening this term so it really important to keep checking Facebook and the school newsletter to remain up to date with our various goings on.

Our new Discovery Centre's sandpit is completed! Just in time for term 3's busy learners. A big huge THANKS to our Board of Trustees for funding this! We so appreciate you! Next up, the landscapers will be in, and add mulch to the dirt pile area. We have been donated the native tress to plant this area up - so will be asking whanau to come on in and bring a spade at some point this term, to plant up a storm, have a cuppa and chat together.

Year 3 & 4 soccer starts this week, netball continues, as does rugby, so lots of opportunities to get out and about to cheer on our tamariki.

Our year 6's are off to a two day camp in week 3, we have a chess competition to attend and Kapahaka show to practice for - phew! That's just the first 3 weeks!

We were thrilled to formally welcome our new students from term 2 and 3 on Monday with our Mihi Whakatau along with our student teacher Mrs Tawhiti. Our students who lead this are becoming more confident each time, and it is fabulous to see the ownership and pride they place in such a special time.

We are in the process of analyzing our learning data for term 2. Despite such a muddled time with Covid and time away from school, we are very happy that progress has been made, with some of our students wowing us with their results despite the crazy time! Our students are certainly in a good position to hunker down for term 3's learning drive, which is very pleasing.

We would love to see you at our Netsafe workshop next Monday at 5.15pm - we are happy to watch your kiddies, so please let us know if you are coming along, and how many kiddies you will be bringing.

Nga mihi,
Briar

We would love to invite you to join us for a Whanau Hui facilitated by the Netsafe Team.

This presentation will provide whanau with information to support and prepare their children to navigate online environments and manage online challenges and risk with confidence.

Our tamariki have been working hard to earn orange reward tickets - you may hear them talking about this at home. Teachers give out tickets for noticed fabulousness; being caring, responsible and respectful. The children collect tickets for rewards: 10 tickets = ice block, 20 tickets = visit another class of your choice for 1 block, 30 = Sushi, 40 = Free choice afternoon block or mufti for the day, 50 = Visit cafe/fish and chips with a teacher of their choice. We are so glad to reward our children for their brilliant choices to earn something just for them.

Kia ora, my name is Lisa Tawhiti and I live in Katikati. I have worked with at-risk youth for just over six years which lead me to pursue a teaching degree. For all of term 3, I have the privilege of being a part of the Discovery Centre team here at Waihi East School as a student teacher.

What makes me happy: my whānau, music and anything to do with art!

My most special place in Aotearoa: a little place called Harihari on the West Coast of the South Island - sitting on a river bed, sipping a cuppa tea, enjoying the peace and quiet.

If I had a magic wand: I would turn myself into a pretty cool looking blue genie who has the magical power of granting everyone a wish!
