

### Parent teacher interviews

We have put out some booking times for you to have a chat with your child's profile teacher if you wish in the form of a parent teacher interview for next Tuesday. This is optional, and you are welcome to ask at any time for a chat about your child.

Recently we handed out aspiration forms for your children. Once these are completed please hand back in to one of the teaching team or bring along to your interview to discuss.

### Snow days

Over winter, we may need to open late due to snow or ice. Late starts are inconvenient but are essential to ensure the safety of staff and children. Late start notices are put on The Hits 89.4 FM. Listen to the radio or check out their facebook page to see the latest updates <https://www.facebook.com/thehitsdunedin?ref=ts&fref=ts>

### Ambi visit

We are lucky to have Ambi the mini ambulance booked in to visit us on Thursday 4<sup>th</sup> July. This is a very informative and interactive visit teaching the children about the work the St John ambulance service provides. We welcome a gold coin donation from families for us to present to Ambi to support their teaching service.

### Matariki evening

Please pencil Friday 5<sup>th</sup> July on your calendars. We will be having a Matariki celebration with a disco and shared kai evening from 5-6.30pm.

### Staffing

We would like to welcome Caitlyn back at the end of July from her maternity leave. Little Isla is doing well and will be joining the nursery.

Farewell to Megan who is moving onto another centre early July after many years at York Place. Best wishes in her new path.

Welcome to Tina who has been doing some relieving shifts in the preschool. She has years of experience teaching both in centres and nannying and we are pleased to have her join our team.

### Our tamariki

Happy school days to: Axel and Ollie

Farewell to Tyler who is joining his mum in Wellington, and Nixon and Lachlan on their move to Mosgiel.

Welcome to: Amie, Arlo, and Beibei

Please ensure children have a warm jacket and hat that are clearly named each day so they can still enjoy our outdoor programme over the winter.
