OPENING PRAYER – (said by all)

You speak to your people in so many ways

In wind and fire ...

in cloud and thunder ...

in moments of great confusion

and in the spaces in between.

In our lives – in the busyness and the quiet –

help us to hear your voice.

Help us to live your love.

Help us to *be* your people ...

this day and forever! Amen. (Richard Bott, UC Moderator)

◆ Fall Volunteering ◆

Summer is a wonderful time of rest for our congregation but before we know it fall programming will be back in action! Many of our committees and groups are always looking for more help. If there is a ministry or program you are interested in volunteering with let the office know and they will connect you with the right person.

◆ Re-Imagine Conference ◆

Our social justice team is excited to be partnering with the Re-Imagine Conference coming to Locke Street this fall. Melrose will be providing space for this event on October 19-20.

Our imagination for what it means to be the Church in Canada is changing...dramatically! It's time to gather together with groups from across the country who are practicing what it means to be a life giving presence in, with, and for the neighbourhood.

Start collaborating beyond the usual fix-the-church conversations.

Join with hundreds of neighbourhood practitioners who are reimagining local economies, re-engaging the land and built environment, and recovering a deeper sense of equity and civic voice.

If you're ready to join in growing the fabric of love and care in your everyday context, ReImagine is for you! Register and follow along as we update presenters, environments, resources, and stories on a weekly basis.
