PRELUDE

* OPENING HYMN – *One More Step Along the World I Go* VU 639

OPENING PRAYER – (said by all)

Dear Jesus, we all have opportunities to make a difference, but sometimes we let those chances slip by.

Strangers, or people we've just met, or our and longtime friends may need our help, but our caution or self-concern stops us from helping them.

Jesus, please help us have the courage and the faith in our own strengths. Let us try to make a difference, and when our help is needed please support us as we try to make things better. Encourage us as we share our strengths and our gifts with others who will really benefit from having us at their side when they find themselves in need.
